Dear Parent,

We are planning to teach a personal safety education programme called Stay Safe over the next few weeks. The aim of the Stay Safe programme is to teach children personal safety skills, so they can look after themselves in situations, which could be upsetting or dangerous.

It deals initially, with common situations, which most children will experience at some stage or other, e.g. getting lost or being bullied. The programme also teaches children the safety skills necessary to protect themselves from physical or sexual abuse and emphasises the importance of telling a trusted adult about any problems they have.

The Stay Safe programme is part of the Social, Personal and Health Education curriculum which all primary schools are required to implement.
