School Re-Opening 4

COLLECTION POINTS AT 2.30 P.M.

Re: Brothers and Sisters who wish to meet up and exit the school grounds together. The meet up point is the water feature/flower bed, between both schools (we will show the children.) There will be a teacher there to help out. The children meet there and as was notified re: entry, in Returning to School Doc 1, the children then exit via the gate for the youngest child. Parents should always go to the gate for the youngest child you are dropping or collecting.

SCHOOL UNIFORMS

For all those who requested pinafores, your pinafore will be in a named bag in a box at the Allendale school gate from 11.30 a.m to 5.30p.m this afternoon.
